International Skills Development

2024 Christmas Baskets Campaign

Think of the smiles on the children's faces when they open their gifts, and the comfort their parents will feel when they receive a Christmas basket filled with essentials.

Let's also offer support to Hélia, a student at [Ilomba School](#), and her family, who have been living in precarious conditions since their house was destroyed. Help Hélia fulfill her dream of becoming a teacher and helping others overcome the challenges of education.

Let's help those in need have a warmer Christmas!

DONATE!

To make a donation, visit: www.lincco.org/en/ or mail the completed form with your cheque to:
